

We are long past being able to address the meticulously well organized living Body of Satan, which is to say, the Jews, and all their accomplices, administrators, enforcers, in any civil, overt way as responsible adults. I began praying at age seven to understand what is wrong with this world, and why, and who brings this insanity to focus? I found out 53 years ago and have been doing my best to expose (((them))) and address the problems (((they))) so cleverly create to justify their engineered destruction of all that is righteous, and good, and creative and of God, of Life.

By orchestrating what occurred 2,000 years ago with the violent denial of Jesus the Christ via nailing Him to a cross, the Scribes and Pharisees, the Satanists, those we now refer to as Jews, specifically the Jewish leadership of that time, established a precedent, a pattern of "resolution" which is now revealing its inevitable conclusion for all to see on this sacred planet. The crucifixion of Christ, His passing into unconsciousness on the cross (not death), was a time He specifically dedicated to His Father. He cried out in a loud voice, "Eloi, Eloi, lama sabachthani", not meaning "Father, Father, why hast thou forsaken me?" as has been the Satanist's deceptive claim, but rather, "Father, Father into thy hands I commend my spirit." During that time He remained aligned with and true to His Father, to Spirit, to God...call it what you will. He was taken down unconscious yet alive, was cared for, healed adequately, returned to consciousness, and emerged from the tomb in a different energetic state. I present the Truth of this ancient yet much maligned, misinterpreted and suppressed event in greater detail beginning on pg. 33 in [The Real History of the Earth. Why in Hell All This is Happening Again! : Anonymous : Free Download, Borrow, and Streaming : Internet Archive](#)

In his "resurrected" brief time while yet in public view, He told those with Him not to touch Him, because His vibrational presence was sufficiently rarefied, high, that to touch Him may have been injurious to others. This vibrational coming forth, some speak of this as His "ascension", further established His Victory. As we awaken to serving Spirit we become able to participate in the "greater works" He indicated we would do, casting the living body of Satan out of heaven and out of the earth. I understand that subsequently He went on to live a more private life no longer serving in public ministry. His work given to him by His Father had been accomplished. Satan in essence was defeated, had been struck a mortal blow.

He established Victory over the very same satanic presence in His lifetime 2,000 years ago as that which continues to destroy Life now, in 2024. This pattern of Victory over Satan which He established I anticipate will play out for the rest of humanity in similar manner as it did with Christ, as we consciously reconnect with Spiritual Source and acknowledge that we are here to serve Our Creator, Our Father. We are similarly being spat upon, condemned, arrested, falsely judged, tortured, perhaps driven unconscious...but as we do not waver, but continue to Trust in Life even to the point of unconsciousness, or death, we carry forward our collective greater Victory over Satan. We simply must carry through.! By this I do not necessarily mean passive acquiescence. A Bishop friend once told me, "There is no sin in killing that which is already dead to Spirit."

We face extraordinarily trying times now and in the immediate future. Satan sure as hell is not about to repent at this late date, when he appears to have his ultimate defeat of Life Itself and control of the entire planet all wrapped up. The details of how this ultimate battle plays out, I cannot claim to know. But I do know that Satan and his subservient sycophants' time to interfere with Life on this sacred planet is now concluding. We are entering the Age of Aquarius, the era of Brotherly Love, and we will soon be able to serve our God, Our Father, our Source, our Creator, unfettered by the Satanic Jew and his acolytes, and harmoniously rejoin the rest of loving universal creation.

It is not written in stone that humanity must fall to such a tortured, unconscious state as was forced upon Jesus the Christ. Mankind, or at least a core portion could, at least theoretically, waken to the reality of our situation and as mature adults address the Satanic Jew, the Masons, the Jesuits, the orchestrated and satanically unified secret societies, non profits, foundations, Non Governmental Organizations, corporations, etc. But humanity is SO catatonic, so asleep and under trauma based mind control, so infested and subverted with ubiquitous satanic agents and so multi-generationally genetically damaged that I don't know that this remains possible.

As Velikovsky stated in his book "Mankind in Amnesia":

"The global catastrophes of ancient times had devastating effects on the human psyche. Collectively, mankind acts like an amnesia victim seeking to relive a traumatic experience. Though surrounded by literary, geological, and astronomical evidence of our violent heritage, we try to avoid the realization that earth-wrenching cataclysms have occurred – as recently as a hundred generations ago. Yet only by understanding our past can we overcome the urge to re-enact the scene of planetary devastation. The horrifying truth, so long as it remains unrecognized, is a powerful force urging us towards doom."

[From The Real History of the Earth. Why in Hell All This is Happening again!, pg. 78](#)

"Our individual and thus collective dissociative response to trauma has produced mass denial, which comes to specific focus in the intractable denial of those who claim to be "in charge". The ongoing inability or unwillingness to acknowledge and release from this unconscious reactive patterning is precisely why we are now driven to re-create Armageddon and proceed into the satanically crafted New World Order. We will now awaken to our spiritual responsibility or be removed first by satanic genocide, then by Life itself.

"Mass trauma from a specific event in our collective, ancient past, long referred to as "The Fall", has split humanity into the approximately seven billion apparently separate personalities now presented with the opportunity to waken into Oneness, into the One I Am, or to instead continue in mesmerized, catatonic march deeper into self-created Hell and oblivion. The traumatized and fearful

ego, experienced as separate from its spiritual source, is driven, and is ceaselessly compelled to induce further trauma. This fractured psychosis, this broken and isolated facet of consciousness comes to focus in those who practice satanic ritualized abuse and sacrifice, carefully hidden at the core of globally ubiquitous, secretly satanic organizations."

Carl Jung states:

"As we know from ancient Egyptian history, there are symptoms of psychic changes that always appear at the end of one Platonic month and at the beginning of another. They are, it seems, changes in the constellation of psychic dominants, of the archetypes or 'Gods' as they used to be called, which bring about, or accompany, long lasting transformations of the collective psyche. This transformation [is apparent] within the historical tradition and left traces behind within it in the transition of the Age of Taurus to that of Aries, and then from Aries to Pisces, whose beginning coincides with the rise of Christianity. We are now nearing that great change which may be expected when the spring-point enters Aquarius.

I am, to be quite frank, concerned for all those that are unprepared by the events in question and disconcerted by their incomprehensible nature. Since, as far as I know, no one else has yet felt moved to examine and set forth the possible psychic consequences of this foreseeable change, I deem it my duty to do what I can in this respect. I undertake this thankless task in the expectation that my chisel will make no impression on the hard stone it meets."

The Living Body of Satan, the Jews, of course know all this and continue with their Ritual Abuse of all humanity, anticipating their final complete destruction and control.

In a 1985 interview with G. Edward Griffin titled "The West Capitulated to Communist Subversion. Communism is the Protocols of Zion in action", KGB Defector Yuri Bezmenov cast our current predicament in stark relief. Essentially "our perception of reality" has been changed so we mistake evil for good, and embrace our own destruction. This is Satanism, the deliberate inversion of all values.

Bezmenov's KGB job had been to convince foreigners the USSR was a worker's paradise when in fact it was a brutal police state detested by its citizens. He implies that this fate is in store for the West. He defected in 1970.

Bezmenov: "But in reality, the main emphasis of the KGB is not in the area of intelligence at all... only about fifteen percent of time, money, and manpower is spent on espionage as such. The other eighty-five percent is a slow process which we call either ideological subversion, or active measures, (Activitia perionachia, in the language of the KGB), or psychological warfare. What it basically means is to change the perception of reality of every American [western European, Canadian, Australian, New Zealander] to such an extent that despite the abundance of information no one is able to come to sensible conclusions in

the interests of defending themselves, their families, their community, and their country. It's a great brainwashing process which goes very slow and is divided into four basic stages. The first one being demoralization.

"It takes from fifteen to twenty years to demoralize a nation. Why that many years? Because this is the minimum number of years required to educate one generation of students in the country of your enemy exposed to the ideology of the enemy. In other words Marxist-Leninism ideology is being pumped into the soft heads of at least three generations of American students without being challenged or counter-balanced by the basic values of Americanism, American patriotism.

"They serve purpose only at the stage of destabilization of a nation. For example, your Leftists in the United States, all these professors and all these beautiful civil rights defenders, they are instrumental in the process of subversion, only to destabilize the nation. When the job is completed, they are nothing, they are not needed any more. They know too much. Some of them, when they see the Marxist-Leninists come to power, obviously, they get offended. They think that they will come to power. That will never happen, of course. They will be lined up against the wall and shot. But, they may turn into the most bitter enemies of Marxist-Leninism when they come to power.

"The moment they serve their purpose, all these useful idiots are used, either to be executed entirely, or exiled or put in prison. Many former Marxists are in Cuba, in prison.

"So, basically, you in America [the western nations] are stuck with demoralization. And unless, even if you start right now, here this minute, educating a new generation of Americans, it will still take fifteen to twenty years to turn the tide of ideological perception of reality and normalcy and patriotism.

"The result? The result you can see. Most of the people who graduated in the sixties, dropouts or half-baked intellectuals, now occupy the positions of power in the government, civil service, business, mass media, educational system. You are stuck with them. You cannot get rid of them. They are contaminated. They are programmed to think and react to certain stimuli in a certain pattern. You cannot change their minds even if you expose them to authentic information. Even if you prove that white is white and black is black. You cannot change their basic perception and illogical behavior. In other words, in these people, the process of demoralization is complete and irreversible. To rid society of these people you need another twenty or fifteen years to educate a new generation of patriotically-minded, common sense people who would be acting in favour and in the interests of United States society.

"The demoralization process in the United States is basically completed already. For the last thirty-five years. Actually, it is over-fulfilled because demoralization reaches such areas where previously, not even Comrade Andropov [1911-1984] and all his experts would even dream of such a tremendous success. Most of it is

done by Americans to Americans, thanks to lack of moral standards. As I mentioned before, exposure to true information does not matter any more. A person who is demoralized is unable to assess true information. The facts tell nothing to him. Even if I shower him with information, with authentic proof, with documents, with pictures. Even if I take him, by force, to the Soviet Union and show him concentration camps, he will refuse to believe it until he is going to receive a kick in his fat bottom. When the military boot crushes him, then he will understand. But not before that. That is the tragedy of this situation of demoralization.

“The next stage is destabilization. This time, the subverter does not care about your ideas, the patterns of your consumption, whether you eat junk food and get fat and flabby. It doesn't matter anymore. This time, and it only takes from two to five years to destabilize a nation, what matters is essentials, economy, foreign relations, defence systems. And you can see it quite clearly in sensitive areas such as defence and economy. The Marxist-Leninist ideas in the United States are absolutely fantastic. I could never have believed fourteen years ago [1971] when I landed in this part of the world that the process would go that fast.

“The next stage is crisis. It may take only six weeks to bring a country to the verge of crisis. You see it in Central America now. And after crisis, with a violent change in power, structure, and economy, you have the period of so-called normalization which will last indefinitely. Normalization is a cynical expression borrowed from Soviet propaganda. When the Soviet tanks moved into Czechoslovakia in '68, Brezhnev said, 'now brother Czechoslovakia is normalized.' This is what will happen in the United States if you allow all these schmucks to promise all the goodies and paradise on earth to destabilize your economy, to eliminate the principle of free market competition, and to put a big brother government in Washington, D.C. with benevolent dictators like Walter Mondale who will promise lots of things, never mind if they are fulfilled or not. He will go to Moscow to kiss the bottoms of the new generation of Soviet assassins. Never mind. He will create false illusions that the situation is under control. Situation is not under control. Situation is disgustingly out of control.

“Most politicians, media, and the educational system frames another generation who think they are living at a time of peace. False! The United States is in a state of war against the basic principles and the foundations of this system. And the initiator of this war is not comrade Andropov of course. It's the system. However ridiculous it may sound, it is the world Communist system, the world Communist conspiracy. Whether I scare some people or not, I don't give a hoot. If you are not scared by now, nothing can scare you. But you don't have to be paranoid about it. What actually happens now, that unlike myself you have literally several years to live, [that was 1985. NOT NOW!] unless the United States wake up. The time bomb is ticking. Every second the disaster is coming closer and closer. Unlike

myself, you will have nowhere to defect to, unless you want to live in Antarctica with penguins. This is the last country of freedom and possibility.

"G. Edward Griffin: OK, what do we do? What is your recommendation to the American people?

"Yuri Bezmenov: The immediate thing that comes to my mind, of course, there must be an immediate, very strong national effort to educate people in the spirit of real patriotism, number one. Number two, explain the real danger of socialist, Communist, welfare state, big brother government. If people fail to grasp the impending danger of their development, nothing ever can help United States. You might kiss goodbye to your freedoms, including freedoms to homosexuals, prison inmates, all this freedom will vanish, evaporate in five seconds, including your precious life.

"The second thing, the moment at least part of the United States is convinced that the danger is real, they have to force the American government, and I'm not talking about sending letters, signing petitions and all these beautiful noble activities. I'm talking about forcing the United States government to stop aiding Communist governments." We rarely use guns to kill people and take their country. The cleanest way is to blackmail, pervert, bribe, lie and intimidate the POLITICIANS and the MEDIA, and they will destabilize and dis-unify their own country for us. Then all we have left to do is to arm the pro-communist or simply criminal factions [28 million armed and ready in 2024] and we have a coup [this time a massive white genocide] and another "liberated" country. As neat as that."
- Yuri Bezmenov, former agent of APN-KGB

It appears Satan is about to destroy humanity and declare "Checkmate" over planet earth. So too I suggest, it appeared to those who witnessed the crucifixion of Christ. Yet we are Spirit incarnate, not mere human animals, and it just may be that the following excerpt from a larger vision experienced and written by General George Washington hints of what lays ahead as our current intensifying tribulation gives rise to the spiritual regeneration and revitalization of the fallen human race.

"George Washington was a man of faith and prayer. The following is an account of George Washington's vision from an old soldier, Anthony Sherman, who recalled it in 1859 and gave it to Wesley Bradshaw, a writer.

The vision depicted three great wars on American soil. The first was the revolutionary war, the second was the civil war and the third was a war yet to come. Sherman informed Bradshaw that the vision would soon be confirmed by a second war in America. This came to pass two years

later when the Civil War broke out in 1861.

Washington received the vision at Valley Forge in the bitter, cold winter of 1777. The revolutionary army was facing its darkest hours and most difficult challenge. The bitter cold, disease, and starvation was on the verge of destroying the army and all hopes for independence. Sherman's account of Washington's vision was reprinted in December of 1880 by The National Tribune, the U.S. war veterans' paper, and on December 21, 1950 by The Stars and Stripes."

From George Washington's vision:

The Third Peril – America's Judgment?

"And again I heard the mysterious voice saying `Son of the Republic, look and learn.' At this the dark, shadowy angel placed a trumpet to his mouth, and blew three distinct blasts; and taking water from the ocean, he sprinkled it upon Europe, Asia and Africa. Then my eyes beheld a fearful scene: From each of these countries arose thick, black clouds that were soon joined into one. Throughout this mass there gleamed a dark red light by which I saw hordes of armed men, who, moving with the cloud, marched by land and sailed by sea to America. Our country was enveloped in this volume of cloud, and I saw these vast armies devastate the whole country and burn the villages, towns and cities that I beheld springing up. As my ears listened to the thundering of the cannon, clashing of sword, and the shouts and cries of millions in mortal combat, I heard again the mysterious voice saying, `Son of the Republic, look and learn.' When the voice had ceased, the dark shadowy angel placed his trumpet once more to his mouth, and blew a long and fearful blast.

"Instantly a light as of a thousand suns shone down from above me, and pierced and broke into fragments the dark cloud which enveloped America. At the same moment the angel upon whose head still shone the word Union, and who bore our national flag in one hand and a sword in the other, descended from the heavens attended by legions of white spirits. These immediately joined the inhabitants of America, who I perceived were well nigh overcome, but who immediately taking courage again, closed up their broken ranks and renewed the battle.

"Again, amid the fearful noise of the conflict, I heard the mysterious voice saying, `Son of the Republic, look and learn.' As the voice ceased, the shadowy angel for the last time dipped water from the ocean and sprinkled it upon America. Instantly the dark cloud rolled back, together with the armies it had brought, leaving the inhabitants of the land victorious!

"Then once more I beheld the villages, towns and cities springing up where I had seen them before, while the bright angel, planting the azure standard he had brought in the midst of them, cried with a loud voice: 'While the stars remain, and the heavens send down dew upon the earth, so long shall the Union last.' And taking from his brow the crown on which blazoned the word 'Union,' he placed it upon the Standard while the people, kneeling down, said, 'Amen.'

"The scene instantly began to fade and dissolve, and I at last saw nothing but the rising, curling vapour I at first beheld. This also disappearing, I found myself once more gazing upon the mysterious visitor, who, in the same voice I had heard before, said, 'Son of the Republic, what you have seen is thus interpreted: Three great perils will come upon the Republic. The most fearful is the third, but in this greatest conflict the whole world united shall not prevail against her. Let every child of the Republic learn to live for his God, his land and the Union'. With these words the vision vanished, and I started from my seat and felt that I had seen a vision wherein had been shown to me the birth, progress, and destiny of the United States."

This ended General George Washington's vision and prophecy for the United States of America.

We are in a Spiritual Battle of epic proportion, and are invited to reawaken to and reunite with our Source, with Spirit, with Our Creator, as Christ spoke of this, with Our Father. This is the first and greatest Commandment and it is now impossible to deny what occurs when this primary allegiance is denied. Victory is in the hands of those who genuinely serve Spirit, the Father of All Creation, not with those who follow some worshipful, human contrived system of belief. The vibrational shift experienced by the "ascended" Christ mentioned earlier, to me is symbolized in Washington's vision as "a light as of a thousand suns shone down from above me". Life itself, our solar system, and the entire universe stand in concert with the unprecedented earth changes soon to make their contribution to end satanic deception and destruction on earth.

Ben Davidson provides an excellent wake up call in this seven minute presentation, though I find he is missing a key factor, specifically the rogue Planet X/Niburu or as Carlos Ferrada spoke of it, Hercolubus. I've tried unsuccessfully to contact Ben seeking his comment re. Hercolubus and Ferrada's prediction. In The Cosmic Alarm Clock I add a few other factors which expand upon what I'm presenting and link it here FYI. Quite a time to be here on earth. Ultimate Victory has been established. The entire Universe is cheering us on!
